AmeriCorps presentation/update, Amber Rosa and Britta Dornfield:

Representatives from Barnstable County AmeriCorps Cape Cod were in attendance to strengthen the partnership with the Town of Mashpee by reviewing the innovative and accomplished programs this past year. In September 2015, AmeriCorps Cape Cod began its 17<sup>th</sup> year of service.

The AmeriCorps program is a residential program designed to provide quality year round community service to protect and sustain the natural resources of Cape Cod. Service projects in Mashpee include Little River quahog maintenance, trail work in the Santuit Pond Preservation area, assisting Trout Unlimited to restore sections of the bank along the edge of the Quashnet River, and working with the Shellfish Constable to construct oyster cages as well as clearing debris at the herring run.

Amber Rosa and Britta Dornfield, AmeriCorps members distributed copies of the community report to the Board of Selectmen for additional review. *(Enclosed in official Town Clerk's copy of minutes)*

The Board of Selectmen expressed appreciation to AmeriCorps for their invaluable service to the Town of Mashpee.

Joint Base Cape Cod (JBCC) Presentation/Update, Base Commanders:

Commanders of Joint Base Cape Cod (JBCC) updated the Board of Selectmen on the essential training and support facility deemed the largest training site in New England. In attendance were Base Commanders from the Massachusetts National Guard, Army National Guard, Air National Guard, Air Force and Coast Guard.

Highlights of operations at the 22 acre site were reviewed. In support of public safety there have been improvements at the training area gate, and increased signage for public awareness at training and impact areas. There have been improvements to the pistol range and to increase sustainability a photovoltaic system has been installed.

In calendar year 2015 there has been improvement to conservation lands to protect rare species. Prescribed burns coordinated with state and federal agencies and local fire departments have reduced wildfire risk and improved training. To allow for more routine access, the Falmouth gate is proposed to have 24/7 access in December. Highlights of the presentation are detailed in the power point presentation distributed by the JBCC Commanders. *(Enclosed in official Town Clerk's copy of minutes)*

Request for approval of bid contract for Ockway Bay Dock/Float Replacement Project:

Three bids were received in response to the RFB issued for the replacement of the dock/floats at the Ockway Bay Boat Ramp. Ms. Laurent in her memorandum of May 12, 2016 recommended that a contract be awarded to Beacon Marine Construction LLC of Bowdoin Road in Mashpee in the amount of \$51,985.

Beacon Marine was the lowest and qualified bidder for the project with experience in residential and commercial pier construction. The firm has committed to the Town's requirement to complete the project within 30 days of the Notice to Proceed.

**Motion made by Selectman Gottlieb to award a Contract for the Replacement of the Dock/Floats at the Ockway Boat Ramp to Beacon Marine of Mashpee in the amount of \$51,985.**

**Motion seconded by Selectman Cotton.**

**VOTE: Unanimous. 5-0.**

**Roll Call Vote:**

<b>Selectman Cahalane, yes</b>	<b>Selectman Sherman, yes</b>	<b>Selectman Gottlieb, yes</b>
<b>Selectman O'Hara, yes</b>	<b>Selectman Cotton, yes</b>	<b>Opposed, none</b>

Ms. Laurent indicated the Ockway Bay Boat Ramp is in dire need of replacement. Dinghy racks are planned to be installed on site, and mooring holders will soon receive a letter prohibiting the storage of dinghies in the marsh areas. With the completion of this project the Town expects to move forward with the Edward A. Baker Boat Ramp project at Pirates Cove after Labor Day.

With regards to the Great River Boat Ramp Improvement project the DPW Director indicated that a new Chapter 91 license is required for the double ramp project. With permitting the project would commence this fall. Performance standards require no disturbance to the salt marsh areas. Construction details will be revealed soon and it is hopeful there would be no mitigation requirements.

Review and Discussion of Estimated Electricity/Maintenance Costs for Town-owned Streetlights on Private Roads:

At their last meeting the Board of Selectmen reviewed the recommendation of the Streetlight Committee for residents or associations on private roads to pay for the cost on street lighting. Lights deemed necessary by the Chief of Police would be exempt for safety or other reasons.

Cost estimates for Town-owned lights on private roads were reviewed as was the proposed billing which would include electricity and maintenance. On private roads there are 109 lights. At a cost of \$30 per light the total cost is \$3,270.

With the conversion of the street lights from high pressure sodium to LED the cost has been reduced considerably. In recent years, the costs totaled approximately \$70 per light.

After a brief discussion, it was agreed this is a nominal amount of money, and public safety is the number one priority of the Town of Mashpee.

**Motion made by Selectman Gottlieb to assume payment for the 109 Town-owned Streetlights on Private Roads as listed by the Department of Public Works.**

**Motion seconded by Selectman O'Hara.**

**VOTE: Unanimous. 5-0.**

Mary Bradbury, Recreation Director:

Mary Bradbury, Recreation Director invited members of the Board of Selectmen and community to attend an open house planned on May 25<sup>th</sup> at the new location of the Recreation Department at 530 Main Street adjacent to the Heritage Park Recreational facility.

Ms. Bradbury also announced the events scheduled to be held at the Community Park and Town beaches this summer. It was noted that summer hires have been secured and the beaches will be fully staffed through Labor Day. The upcoming Triathlon at John's Pond will be held June 18 and 19, 2016. The closure shall be duly advertised.

Ms. Bradbury also made note of the Memorial Day service scheduled to be held on Monday, May 30, 2016 at the Veteran's Garden starting at 10:00 a.m.

Review and Adoption of Beach Rules as Revised:

The Board of Selectmen reviewed the Rules and Regulations proposed for the use of Town Beaches. With the Selectmen's approval signage would be placed at all Town beaches. The Lifeguards and Gate Attendants on duty shall have the authority and responsibility to enforce the regulations.

With regards to the regulation imposing no umbrellas or tents, it was agreed that shade is necessary for small children and others requiring limited sun exposure. Weather permitting, common sense would be evoked if a tent or umbrella would become a safety hazard.

**Motion made by Selectman Gottlieb to approve the Rules and Regulations for the Use of Town Beaches and signage with the amendment to umbrellas and tents for use weather permitting.**  
**Motion seconded by Selectman Cotton.**

**VOTE: Unanimous. 5-0.**

Approval and Execution of Consent Agreement between Robert Reisner/Patricia J. Erickson and the Town of Mashpee:

Rob Reisner 40 North Way, Mashpee met with the Board of Selectmen to request approval to improve the access to his property over the Town of Mashpee property by paving the right-of-way. All expenses and improvements shall be paid for by Mr. Reisner and Patricia Erickson, owners of Lot 106 as shown on Land Court Plan 32194-C, known as 40 North Way, Mashpee.

A Consent Agreement was prepared by Town Counsel for the Selectmen's consideration. In accordance with the Agreement, the Town of Mashpee shall not be responsible for maintenance costs associated with the paving of the right-of-way.

Mr. Reisner indicated he purchased his home at the end of last year and he is unable access his driveway. The easement for a driveway goes through a lot the Town took possession of for non-payment of taxes. Mr. Reisner stated that he intends to blend his driveway from the cul de sac to this garage into what is existing.

Discussion followed with respect to setting precedent for other easements on properties the Town owns. It was agreed this issue would be deferred to the next meeting to consult the Town Planner regarding this matter as it relates to tax taking properties and implications thereof.

Mr. Reisner stated that he is disappointed with the Selectmen's decision. He has been attempting to obtain an agreement for the past three months, and the property is planned to be improved at his expense. It was noted the neighbor has given consent to this proposal.

**LIAISON REPORTS**

JBCC: At the last Joint Base Cape Cod Community Advisory Council meeting there was noted progress in range operations including pistol range improvements. The initiatives will support the protection of the grounds and aquifer from potential contaminants.

Waterways Commission: The dredging of the Popponesset Bay approach channel is now complete and ready for the upcoming season.

Community Garden: It was reported the Assistant Conservation Agent Katelyn Cadoret is re-invigorating the community garden site. A total of 16 public garden plots are available for a cost of \$25 per year. The Community Garden was constructed several years ago with Community Preservation funding. It is a great spot to plant a vegetable garden. Interested residents are encouraged to contact the Conservation Office.

John's Pond: Christian Cotton has taken on an initiative to protect native species for his Eagle Scout project by eradicating the invasive koi fish located in John's Pond.
